NOTICE FROM THE ABB LUMMUS GLOBAL INC. 524(g) ASBESTOS PI TRUST

June 30, 2021

In recognition of the continuing hardships resulting from the current COVID-19 pandemic, the ABB Lummus Global Inc. 524(g) Asbestos PI Trust extends the policies adopted March 27, 2020, as follows:

The Trust temporarily suspends any requirement that a document submitted to the Trust be notarized. Documents may be submitted to the Trust without notarization as provided below.

The Trust temporarily suspends any requirement that a document be witnessed by more than one person or by a person unrelated to the signatory. Documents may be witnessed by one person who may be a family member.

Provided the claimant's law firm has entered an electronic filer agreement with the Trust and Verus Claims Services, the Trust will accept documents signed by DocuSign or by another commercially reasonable e-signature program. Claimants' law firms should coordinate submission of documents signed by DocuSign or by another commercially reasonable e-signature program with Verus Claims Services.

The Trustee has determined that deadline tolling extensions are no longer necessary and, therefore, no further tolling is provided in the extension of these pandemic-related signature and notarization policies.

These provisions will apply until August 31, 2021. The Trust may further extend the policies or, with appropriate standards, permanently adopt the policies.
